CHASE CREEK SWIM TEAM VOLUNTEER INFORMATION

By registering your child for the team, you agree to provide one adult worker for each meet your child attends. Swim meets are fun, and they require help from many adults. Your child will appreciate your involvement!

Please list below the name of an adult (include phone number if not the same as provided on line above) who will work at each meet your child attends. Please feel free to indicate on the line provided your preference for jobs (i.e., timer, recorder, concessions, table worker / computer operations, starter, stroke and turn judge, etc.). Don't worry, we will train you.

Please also indicate any meets your child will **not** be able to attend due to vacation or some other event. This is very important for the coaches to know in advance, and will help to speed up meets. With the new computer operations, no changes can be made on meet day. We do not want to see empty Chase Creek lanes this year!
